AMENDMENT

In response to the Office Action mailed 12/03/2002, a petition to extend the time for filing, an RCE and response being filed concurrently herewith, please amend the above-identified application without prejudice as follows.

In The Claims:

Please amend claim 1 as set forth below:

- Sub*
101
1. (Twice Amended) Apparatus for facilitating management by an individual of a physiological and/or psychological state of said individual using images comprising:
- C1*
- a display for a set of images allowing an individual to show a set of images chosen by the individual to one's self wherein said set of images are based on a personalized image profile; and
- a device for allowing said individual to choose images from said set of images which provide a preferred response for said individual, wherein said chosen images provide common measurable physiological response characteristics which define a personalized image response profile for said individual.
